ABOUT US

LEXON is India's oldest manufacturer of Precision Cross Winders, popularly known as Cheese winders or Tape Winders. LEXON's experience with Tape Winders goes back to 1981 when its parent company "Trident Take-Ups" introduced Precision Cross Winders in the Indian market. It was a huge success and resulted in excellent business with Woven Sack Manufacturers as well as OEMs.

Ever since, LEXON Winders has been able to consolidate its position of leadership in the Indian market as a specialist in winding equipment for raffia tapes and rope yarns. Lowest running costs and affordable initial investment has been the USP of Lexon Winders products. Over time Lexon has established its presence in other world markets through a growing network of Agents and overseas OEMs.
